

## **Workshop-cum-Training-Programme on GIS/Geo-Mapping at Bhaskaracharya Institute for Space Applications and Geo-Informatics (BISAG), Ahmadabad, Gujarat**

The ENVIS Secretariat organized a three days Workshop-cum-Training Programme on GIS/Geo-Mapping at Bhaskaracharya Institute for Space Applications and Geo-Informatics (BISAG), Ahmadabad, Gujarat during 21/09/2017 to 23/09/2017. As part of the training, Mr. Yashvir Singh, Economic Advisor, MoEF&CC made a presentation on revamped the ENVIS Scheme of the MoEF&CC. The presentation was followed by discussions and clarifications by the Senior Economic Advisor Dr. Anandi Subramaniam and the other officials from the MoEF&CC on the deliverables and the functionality of the ENVIS programme across the country. The training programme on GIS/Geo-Mapping started by a detailed presentation on the utilities of the Remote Sensing by Dr. T.P. Singh, Director BISAG. The participants were then divided into regional groups for discussions and training on District Level Data Mapping and Grid Based Monitoring by the BISAG trainers. The other presentations included the case studies by ENVIS Chandigarh on the use of India State-Level Basic Environmental Information Database (ISBEID) data for monitoring and a detailed one on use of QGIS in GRID monitoring by Dr. T.V. Ramachandran from IISC Bangalore.
